

**The Center for Study of Science, Technology and Policy (CSTEP)**  
**in Bangalore**

**is looking for and accepting applications for summer internships from Srishti students from any grade level.**

**We expect to have room for:**

**2-4 Visual Communications and/or Gaming & Animation Students**

**2 Film and Video Students**

**2 Sangama and/or Product & Interface Design Students**

**Projects would have a duration of 8 weeks (may 3rd-June 25th) with a stipend of 10,000 rupees and a "bonus" of 10,000 upon successful completion of project.**

**All work will be carried out in consultation with CSTEP employees on a mutually agreeable topic. At the beginning of the project, the goals and expectations will be outlined so both CSTEP and students (incl. their advisors) have a clear idea about their mutual goals, interests, and potential for growth.**

**Some possible areas of interest that align with CSTEP's current research topics:**

- \*Digital Humanities (creative display of news and topics in the public interest)**
- \*Animation of Urban Environments**
- \*Digital photography of Bangalore and its Peri-Urban Areas - transportation, shelter,**
- \*Simulation Game Design and Development**
- \*Information Design and Graphic Communication Demonstrating Policy Options**
- \*Mapping and Geographic Information Systems**
- \*Producing a Documentary Video About CSTEP + Policy Issues in Bangalore and India**

**Please send a resume, 3-5 examples of your work, and a letter of intent including 1) a brief description (<150 words) of your interests and experience, 2) a list of courses taken at Srishti, and 3) no more than 200 words on your personal perspective on the role of art and design in engagement with policy makers and the public.**

**Please send the above to CSTEP c/o gabriel@cstep.in **by April 5th, 2010****
